

MENTOR PROGRAM HANDBOOK

Program Overview

The Martin-Gatton College of Agriculture, Food and Environment is committed to providing new employees with the resources they need to be successful in their role. Mentors help support mentees as they become acclimated to their position by providing peer-to-peer interaction, sharing best practices and helping the new employee understand the organizational structure of the college and where the mentee and his/her position fits into that structure. The length of the program is six months.
